

## MORNING BREAKOUT INFORMATION

11:30pm-12:30pm

Here's a little more detail on Saturday's morning breakouts:

### #1—"Smart Phone: Master or Slave?"

With Craig Houston in Main Auditorium  
[Men/Women/Young Adults All Ages]

*In this breakout we will be looking at the blessings and burdens of our smart phones, and the affect both good and bad our use of them can have upon our lives. Is it possible our phones can change us? Is it possible to use our phones in a manner that is productive and pleasing to God? We will be discussing how we can lead our lives with technology, rather than be slaves to it. Since mobile phones are now such a big part of our everyday lives—it's vital that we seek a godly perspective about how we handle them. This will be an interactive breakout, with time for discussion and questions.*

### #2—"How to Make Time for Everything That Matters"

With Kris Baines in Breakout Room #1  
[Men/Women/Young Adults All Ages]

*In this breakout we will be looking not just at time management, but rather how God wants us to manage our time. We will see how "less" can be "more" when we manage our schedules and our lives according to God's principles, and how we can avoid many of the distractions that consume our lives. We have each been given 24 hours every day, and as difficult as it is to believe at times - God has given us enough hours each day to get His will done! We will be looking at how we can make sure important priorities such as personal and family devotions, discipleship, ministry in the local church, and evangelism can be consistent in our lives. In addition to this, we will also discuss why it's just as important to make time for rest, sleep, relaxation, and fun! This will be an interactive breakout, with time for discussion and questions.*

### #3—"Finding Rest as a Homeschool Mum" [PRE-RECORDED AT CHCH CONFERENCE]

With Tehila Gonen in Breakout Room #2  
[Ladies Only]

*In this breakout we will learn how to accept Jesus' personal invitation to each one of us as homeschooling mums; to come to Him, take His yoke upon us, learn from Him, and find rest for our souls (Matthew 11:28-30). We will examine whether we fit the criteria of being weary and heavy laden, and whether the way we seek to find rest in our lives, lines up with the way our Lord calls us to do so. We will share factors that may be weighing heavily upon us as Christian mothers, and receive practical encouragement in areas that touch each one of us, which will in turn directly affect our marriages and parenting. We will step away with clear steps to get our personal lives on track with the Lord, while purposing to maintain blessed relationships within our families, and others whom He divinely chooses to place in our lives.*

### #4—"Interview with Nathanael Houston & Activities"

With Engage Activities Team in Fellowship Hall  
[For Younger Children]

*Following a short interview with Craig Houston's son Nathanael, there will be some fun group activities for the younger children with some table games available also. Under 5's may be watched by some of our teen helpers by arrangement—just speak with them to organise.*

**NOTE:** Children are welcome to attend any session with parents.  
Parents are responsible for their children at all times.
