

AFTERNOON BREAKOUT INFORMATION

3:50-4:50pm

Here's a little more detail on Saturday's afternoon breakouts:

3:30-4:50pm (starts earlier than others)

#1—"Special Ladies Afternoon Tea"

RBC1 (next to kitchen)

[Ladies Only—Mums/Wives/Singles welcome also]

This has been a hit with the ladies for the past 2 years! You will get to have some nice "child-free" time with the other ladies, hear some encouraging testimonies, and spend a decent time in fellowship. While this is happening, the dads will be with the children in the "Dads, Lads, & Lasses" session. It's totally fine if mums want to have babies with them in the afternoon tea, but if younger children can be with the dads, or watched by arrangement in the playroom, it will allow the ladies to have some pleasant and peaceful time.

Testimony #1 - "My Journey to Finding Rest" - Tehila Gonen

Testimony #2 - "Letting Go, Holding Fast" - Becky Baines

3:50-4:50pm

#2—"How to Have a Grace-Paced Life in this Crazy-Busy Social Media World!"

With Craig Houston in Main Auditorium

[Aimed at Teens/Young Adults—Parents/Singles Welcome also]

In this breakout we will be looking at the maze of distractions there are out there, in the social media world—but also how we can navigate through a social media world, in a way that honours God. This session is particularly focused on helping the teens/young adults make wise choices with social media, and how not to let it rob you of God's best for your life. Young people have a unique and privileged opportunity to build their lives around God's priorities, and make a lasting impact in this world for Christ. During this session we want to look at how that can be true of us, and how much God is willing and available to help us. There will be plenty of time for questions and discussion.

#3—"Dads, Lads & Lasses"

With Jason Winslade in Sunday School Hall

[Dads & Children—Single Men Welcome also]

While many fathers watch the months & years pass by with great intentions of what they'd like to do with their children, the aim of this session is to both discuss & experience the benefits of purposeful planning. Memories don't transpire automatically, and relationships don't flourish without thoughtfulness.

Yet when fathers take a deliberate approach, while partnering with other like-minded fathers, they will soon experience the joy that comes from their intentions turning into reality. Following a short introduction, this session will involve a hands-on activity, giving fathers & children an opportunity to interact with one another.
