### ENGAGE 2016 (HAMILTON) CONFERENCE UPDATE

*(please click here to read previous updates if this is your first update since registration)*

**Dear Engage 2016 Attendees,**

Here is another update for **ENGAGE 2016 HAMILTON**

Preparation is coming along well for the conference and all the team are looking forward to coming down and meeting you all!

Here's some relevant info.

**Morning & Afternoon Break-Out Sessions:** All conference sessions will be "age-integrated", which means we will all be together in the main auditorium. The only exception to this is for the morning and afternoon "break-out" sessions. For the morning breakout (Evangelism Bootcamp) there will be several adults giving general supervision to the children, but parents need to take responsibility for their own children, or arrange older children/friends to help as required. In the afternoon there is an optional "young entrepreneurs" session for children which is an interactive session teaching children principles of business and family economy- this is an option for children from 1-2pm instead of being in main sessions.

**Saturday Lunch:** Saturday's lunch is **BYO** (or buy locally) Kitchen facilities will be available - plates/cutlery etc.

**Kid's Activities Etc:** There will be optional paper activity sheets available for children for during the sessions. Please bring own pens/pencils. There will be a small creche area in foyer and a room for mother's/babies with an audio feed.

### SKYPE RECORDINGS BY INTERNATIONAL SPEAKERS

This year at ENGAGE Christchurch we had some live "Skype-In's" from international speakers. We will be playing the recordings of these sessions at the Hamilton conferences and Lord willing if we come back next year we can have live sessions in your region too!

The recorded skype sessions feature:

**Scott Brown** (Director of the National Centre for Family Integrated Churches - [www.ncfic.org](http://www.ncfic.org)), and **Danny & Megan Craig** (Daniel runs LIFELAUNCH - a mentoring programme for young adults - [www.lifelaunch.com](http://www.lifelaunch.com)).

Scott's topic is "Wisdom & The Fear of God / God's Wisdom in the Local Church" and Danny & Megan's topic is "Choosing Wisely in Preparation for Life – The Journey Towards Adulthood & Marriage". These were such informative and encouraging sessions - we're certain they will be a blessing.

### KIERON MCGHIE - SKYPE RECORDING

Due to time restrictions in the schedule (we have to leave in time to get to Auckland airport), we cannot play all the skype recordings. Here is one you can watch ahead of time instead, which will hopefully be an encouragement of the kind of content we will be covering - [https://www.youtube.com/watch?v=I38XQ8\\_O\\_FA](https://www.youtube.com/watch?v=I38XQ8_O_FA).

### HELP WITH THE CLEAN UP :-)

As mentioned, our team needs to leave for Auckland airport no later than 4pm on the Saturday, so the conference will finish at 3pm. The reality is we all be having some great fellowship during that time, but we still need to have the place cleaned and tidied so we can leave it how we found it. If there are any volunteers who are happy to help see that this gets done, once we have to leave we would really, really appreciate that. Please let us know if you can help.

**CONFERENCE SCHEDULE**

The conference schedule is now finalised (subject to minor change), and has been attached for your info, and planning. This will also be posted on our website on the Hamilton page.

If you have any questions or want more info, you can look on the website under the F.A.Q. or email me.

Looking forward to meeting you all!

Sarah

Admin Assistant - Engage 2016
